House 01.

At the front, beside the hospital.

House 01 is the first house on the left when viewed from the street in the current development numbering. It is the shorter Type B home.

STOREYS

3

MAIN EXTERNAL FOOTPRINT

Approx. 6.85 × 13.49 m

GARDEN

Private rear garden

PARKING

One space shown

Internal plans are not currently available. Internal area, bedroom and bathroom counts remain unconfirmed. Price and availability: contact the sales team. The highlighted shape identifies the building only; it is not a legal plot boundary.

The setting and the proposal.

A six-house proposed development beside the golf course, with Swift Place and the hospital shown in the surrounding model. The aerial is illustrative; terrain registration, levels and boundaries are provisional.

The exterior model shows the proposed massing and relationship to the drive. Dimensions quoted here are approximate external model/drawing dimensions, not a floor area. No internal layout or furnished section is represented for Type B.
